

## Twist Knot Pipeline Wheel Brushes

KIV-50 4943740

KI-70 4146740

Twist-knot Pipeline Wheel Brushes are designed for the quick removal of heavy rust, paint, scale and small burrs. They are ideal for the preparation of welding seams and are particularly effective at slag removal after welding. These brushes are designed for use on angle grinders.

### High Carbon Steel

Diameter	Mount (mm)	Wire $\varnothing$ (mm)	Knots	Max RPM	Packaging	Part No
